

2nd Grade Frog Homework Menu

Reading (100 minutes per week):

- Read to self
- Read to someone
- Record yourself reading
- Take turns reading with someone
- Listen to reading

Math (50 minutes per week):

- Visit IXL.com or log in on the IXL app
- Practice math facts or story problems with a grown-up
- Make up your own story problems and solve them
- Make up your own math games and play them
- Visit and play games on <http://teacher.scholastic.com/max/>
- Visit and play games on <http://www.ABCya.com>
- Practice math in other creative ways and tell Mrs. L. about them!

Spelling (As needed Monday-Thursday):

- Sort your spelling words
- Write your sort
- Visit <http://www.SpellingCity.com> or log into the app and practice your words
- No-Peek sort (someone reads you your words and you write them, and check for correctness)
- Rainbow-write your words (write a word in one color, trace on top in another color, and then trace on top with another color)
- Explain the rules of your sort to someone
- Practice your words in other creative ways and tell Mrs. L. about them!

_____ 's Homework Log due on _____

Directions: Complete your daily practice, making choices from the homework menu. Fill in your homework log throughout the week (students should do the writing). Hand in your homework log on the first school-day of every week.

	Monday	Tuesday	Wednesday	Thursday	Weekend	Total Minutes
Reading 100 minutes/wk	What did you read? Minutes _____	What did you read? Minutes _____	What did you read? Minutes _____	What did you read? Minutes _____	What did you read? Minutes _____	
Math 50 minutes/wk	What did you do? Minutes _____	What did you do? Minutes _____	What did you do? Minutes _____	What did you do? Minutes _____	What did you do? Minutes _____
