

HAPPY BIRTHDAY!

Dear Frog Families,

Birthdays are a special part of childhood. We will celebrate every child's birthday in our classroom, whether or not his/her actual birthday is on a school day. If your child has a summer birthday, we may celebrate on a half birthday or during the birthday month; and if your child has a birthday during a weekend or on a break, we will celebrate as close to the birthday as we can.

Due to the strict regulations regarding food and the need to keep students with severe allergies safe, students are welcome to bring a non-edible treat for their classmates to celebrate birthdays. Some treats former students enjoyed included stickers, bouncy balls, and silly bands. Birthday treats are always optional.

Listed below are the dates of birthday celebrations in our class.

Brian: September 5th
Noah: September 19th
Aidan: September 26th
Jimmy: October 20th
Sietse: November 6th
Isabella: November 24th
